## **1. Introduction and Aims**

Saint Christina's Preparatory School is an Independent Catholic Day School and a foundation of the Handmaids of the Sacred Heart of Jesus, a Roman Catholic religious congregation and the Trustees of the School.

The aim of Saint Christina's Preparatory School is to serve the needs of Catholic children together with those of other denominations, offering all the experience of living in a Christian community which finds its inspiration, meaning and purpose in Christ and His gospel.

Saint Christina's is committed to the pursuit of excellence in every area of the curriculum always recognising the individual needs of each pupil and supporting their full development spiritually, morally, intellectually, emotionally, physically and socially.

## **2. Open Events and Taster Days**

Deciding on the right school for your child is very important, and we believe that a personal visit is invaluable. We very much hope that you and your child will visit Saint Christina's. We hold a number of Open Events which give a general introduction to the school. Details of these events are published on our website. In addition to this we are very pleased to meet parents and their children at any time. Should parents be interested, we will also arrange a Taster Day for their child, allowing them to experience the School in action.

If you would like to visit the School, please contact the Headteacher's PA by phone on 020 7722 8784, or by email at [headteacherspa@saintchristinas.org.uk](mailto:headteacherspa@saintchristinas.org.uk).

## **3. Policy on Admissions**

3.1. **Admissions Criteria:** Priority will be given (in the following order) to:

- Roman Catholic children or;
- Children from a family where at least one parent is Roman Catholic. The Governors and Trustees reserve the right to require production of Baptismal Certificates.
- Where numbers of places permit, children of other Christian denominations, and then of other faiths may be admitted if parents are fully supportive of the Catholic ethos and the Headteacher and Governors believe the child will benefit from the education at Saint Christina's.

3.2. **Siblings:** The attendance of a brother or sister already at the School at the proposed date of admission will increase the priority within each category. Some priority shall also be given to children of former pupils.

Saint Christina's School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment and submit to appropriate safeguarding checks. It is our aim that all pupils fulfil their potential.

The Head of Learning Support and Extension [SENCO] may also meet with the child and parents to discuss concerns before admission is decided upon. The school must be satisfied that it can adequately meet the needs of the child in question and that therefore, the child will benefit from the education that Saint Christina's offers.

- 7. Special Educational Needs and Disabilities (SEND)**
- 7.1. The School welcomes pupils with special educational needs providing that its learning support department can offer them the support that they require and provided that students can access the curriculum. We welcome pupils with disabilities provided that our site can accommodate them. Parents of children with special educational needs or disability should disclose the nature of that need or disability so that the school is able to make an informed assessment as to whether or not it will be able to meet the needs of a child. The School will always assess whether or not it, through making reasonable adjustments will be able to meet the needs of any child who meets the entry requirement
- 7.2. Where a child who has an Education, Health and Care (EHC) Plan joins the Saint Christina's School, we will always consult with parents and, where appropriate, the Local Authority to ensure that the required curriculum is provided for as set out in the Statement, including the full National Curriculum if this is specified. We will also co-operate with the Local Authority to ensure that relevant reviews, including the annual review, are carried out as required by regulation and best practice. The school will make reasonable adjustments to meet the needs of children with a statement of special educational needs. Any additional services that are needed to meet the requirements of the Statement or additional services such as dyslexic tuition will be subject to charge. Our school has a policy and procedures for children with *Special Educational Needs and Disabilities* (SEND).
- 8. English as an Additional Language (EAL)**
- 8.1. We do not regard pupils as having a 'learning difficulty' solely because the 'language or medium of communication of the home is different from the language in which he or she is or will be taught' (Education Act 1996, Section 312(1), (2) and (3)). However, pupils for whom English is an 'additional language' (EAL) will be provided with appropriate support provided they meet the OVS academic criteria. They will be assessed to gauge the support that may be needed in order to ensure equal access to the curriculum along with all other aspects of life at Saint Christina's School.
- 8.2. Our school has a policy for pupils requiring *English as an Additional Language* (EAL). Our school will make provision for children who have English as an additional language, (EAL) in the assessment procedure. If an offer is subsequently made and the child takes up his or her place, the school will make provision for appropriate support (subject to a charge).
- 9. Complaints procedure:** The school hopes that parents and pupils do not have any complaints about the school's admissions process; but copies of the school's complaints procedure can be sent to parents on request or is accessible on the website. The Admissions Policy is reviewed annually.
