We aim to develop a culture of inclusion and diversity in which all those connected with the School feel proud of their identity and able to participate fully in School life.

2.2. **Moral development:** The moral development of pupils at Saint Christina's is rooted in the principles of Catholic Social Teaching (CST). Through CST, pupils are taught to live out the Gospel values of love, justice, and compassion. The moral development of pupils is shown by their:

- Understanding of CST principles, such as the dignity of the human person, the call to family and community, the option for the poor and vulnerable, and care for creation.
- Engagement with charitable initiatives led by our Caritas Ambassadors, where pupils actively participate in campaigns and events that respond to the needs of the local and global community.
- Reflection on moral issues in light of CST, encouraging pupils to question societal injustices and promote the common good, whilst understanding and appreciating the views of others.
- Ability to recognise the difference between right and wrong and readily apply this understanding in their own lives and, in so doing, respect the civil and criminal law of England.
- Understanding of the consequences of behaviour and actions taken.
- Appreciating that with rights come responsibilities.

The pupils should also develop and demonstrate skills and attitudes that will allow them to participate fully in, and contribute positively to, life in modern Britain.
- Engagement in various settings like group projects, school councils, and extracurricular activities to help them understand social responsibility.

2.4. **Cultural development:** The cultural development of pupils is shown by their:

**2.5. Cross-curriculum teaching and learning:** Development in SMSC will take place across all areas of the curriculum. Teachers will be encouraged to identify opportunities for promoting SMSC development across all subjects, ensuring pupils consistently engage with relevant themes.

SMSC has particularly strong links to Religious Education, Collective Worship and Personal, Social, Health and Citizenship Education (PSHE).

All areas of the curriculum will draw examples from as wide a range of cultural contexts as possible.

In order to develop a strong sense of identity in our pupils, we will use classroom discussion to enable them to:

- Talk about their experiences and feelings.
- Express and clarify personal ideas and beliefs.
- Speak about difficult events, e.g. bullying, death.
- Share thoughts and feelings with other people.
- Explore relationships with friends/family/others.
- Consider the needs and behaviour of others.
- Show empathy.
- Develop self-esteem and a respect for others.
- Develop a sense of belonging.
- Develop the skills and attitudes that enable children to develop socially, morally, spiritually and culturally e.g. empathy, respect, open-mindedness, sensitivity, critical awareness etc.

**Many areas across the curriculum provide opportunities for pupils to:**

- Listen and talk to each other.
- Learn an awareness of treating all as equals, accepting people who are different because of physical and learning difficulties.
- Agree and disagree.
- Experience good role models.
- Take turns and share equipment.
- Work co-operatively and collaboratively.

**Practical activities to develop SMSC include:**

- Working together in different groupings and situations.
- Encouraging the children to behave appropriately at meal times.
- Taking responsibility e.g. class monitors, school prefects, school council representatives, those delivering messages and looking after younger children.
- Encouraging teamwork in PE and games.

- Appreciation of and respect for the work and performance of other children, regardless of ability.
- Hearing music from different composers, cultures and genres.
- Meeting people from different cultures and countries e.g engaging in pen pal activities with our sister school in the United States.
- Participating in a variety of different educational visits.
- Participation in live performances.
- Using assembly themes to explore important aspects of our heritage and other cultures e.g. festival days, the patron saints and global events.
- Studying literature and art from different cultures supported by visits from writers and artists and participating in workshops.
- Opportunities for the children to hear and see live performances by professional actors, dancers and musicians.
- Opportunities to learn about other cultures e.g. Heritage Week.
- Opportunities in music to learn songs from different cultures and play a range of instruments including steel pans and samba.
- Studying the contributions to society that certain famous people have made.

2.6. **Community links:** At Saint Christina's, our commitment to Catholic Social Teaching shapes our engagement with the wider community. Through initiatives such as the Caritas Ambassadors Club, pupils take a leading role in:

- Organising charitable events that reflect the themes of CST, including social justice, the preferential option for the poor, and stewardship of the environment.
- Collaborating with local and international charities, such as food banks, shelters, and global relief organisations, in order to live out the Gospel values of service and solidarity.
- Promoting awareness and education on CST themes within the school community, through assemblies, Masses, and school-wide projects (e.g. buddies).

### 3. **Monitoring and evaluation**

3.1. At Saint Christina's we listen to the views of our pupils and their parents/carers. We operate an open door policy for the sharing of views and also have a formal system in place including:

- Pupil / parent questionnaires.
- Pupil / teacher meetings.
- Parents' evenings / meetings.
- Coffee mornings
- Pupil voice gathered through school council or leadership roles (e.g Head Boy / Girl roles)

3.2. SMSC provision is reviewed on an annual basis in the following ways:

- Monitoring of teaching and learning and work scrutiny by the PSHE / RE coordinators as part of our general monitoring.
- Discussions at staff and governors' meetings.
- Policy audits.
- Development of Religious Education, PSHE and Collective Worship to reflect the diversity of both our School and society.

- Sharing of classroom work and practice.
- Learning Walks

Findings from monitoring will be used to inform future curriculum development and SMSC-related initiative.

#### **4. Promoting Fundamental British Values**

- 4.1. Saint Christina's actively promotes Fundamental British Values (Democracy, Rule of Law, Individual Liberty, Mutual Respect and Tolerance of different Faiths and Beliefs) within its very DNA. The way that we live, relate to one another and organise the school places FBV at the centre but this is explicitly supplemented through the school curriculum generally (e.g. History, RE etc) and within the PSHE programme explicitly and also through for example, Assemblies, Class time, School Masses etc. Catholic Social Teaching enhances our understanding of democracy, the rule of law, individual liberty, and mutual respect by guiding pupils to recognize the intrinsic dignity of each person and the importance of standing up for human rights and social justice, while contributing to the common good by leading and participating in charitable actions through the Caritas Ambassadors Club and other school-led initiatives.

#### **5. Through our Social, Moral, Spiritual and Cultural programme, we will:**

- Enable students to develop their self-knowledge, self-esteem and self-confidence.
- Enable students to distinguish right from wrong and to respect the civil and criminal law of England.
- Encourage students to accept responsibility for their behaviour, show initiative, and to understand how they can contribute positively to the lives of those living and working in the locality of the School and to society more widely.
- Enable students to acquire a broad general knowledge of, and respect for, public institutions and services in England.
- Further tolerance and harmony between different cultural traditions by enabling students to acquire an appreciation of, and respect for, their own and other cultures.
- Encourage respect for other people.
- Encourage respect for democracy and support for participation in the democratic processes, including respect for the basis on which the law is made and applied in England.
